

H - WARD SCIENCE EXHIBITION

The H- Ward Science Exhibition 2022-2023 was held on 11th, 12th and 13th January 2023. 190 schools participated in the science exhibition. Apostolic Carmel High School and Junior College too participated in the Science Exhibition, exhibiting our project on “Health and Hygiene”- Technology and Toys. Our students, Raina Pendurkar and Bhagyashree Sonar under the guidance of teachers Shilpa Singh and Swejal Carvalho presented their project at St Theresa's Convent High School, Santacruz, which was the venue for this year's science exhibition.

Along with this our school also participated in the Elocution Competition and Science Quiz Competition. Teachers Fozia, Sonal, Joyce and Meenaz took turns for the Science Exhibition. Sr Marisa along with Tr. Sophia Cardoza and five students attended the seminar held at the venue school.

Overall it was an amazing and an excellent learning experience for all the students to improve their scientific attitude towards society.
