

**APOSTOLIC CARMEL HIGH SCHOOL & JUNIOR COLLEGE,**  
**BANDRA WEST, MUMBAI 400 050**

The students of Std 9 enthusiastically put up a canteen for the all the sections on 17<sup>th</sup> January, 2023. The main motive behind it was to raise funds for a new school building which needs to be constructed at the earliest. There was excitement in the air as the students set up their stalls and started the preparations for the sale of a large variety of mouth- watering and delicious snacks. Some of the food items on sale were chicken sandwiches, chicken popcorn, dabeli, veg.pasta, popsicles, candy floss, cold drinks, etc. The students, teachers and parents patronized the stalls very generously and were delighted with the appetizing and palatable items. They wholeheartedly complimented the students and teachers for their hard work and effort put in to ensure that everything went off well. The students also laid stress on cleanliness and ensured that the entire place was properly cleaned once the canteen was over. It was collective team work by the students of Std 9 along with their class teachers. At the end, the canteen turned out to be a great success with all items being sold and everyone happy and satisfied.
