

# Republic Day Celebration

The 74<sup>th</sup> Republic Day was celebrated by the primary section on 25<sup>th</sup> January 2023. The std 4<sup>th</sup> students along with their respective class teacher's presented a beautiful skit bringing out the essence of love in unity and equal distribution of love for all, that we should have in our hearts as a Republic citizen of our vast country. A meaningful prayer service was conducted showcasing the hymn in the thanksgiving to God for giving us this beautiful and rich country.

The children also sang very melodiously a song titled "Heal the World", full of patriotism. The programme ended with a dance choreographed and performed by the students giving glory to our motherland to the song – Teri Mitti. It was truly a beautiful assembly to remember, Hats off to std IV!!.
