*“The world is not to be put in order. The world is order. It is for us to put ourselves in unison with this order.”*

-Henry Miller

**26<sup>th</sup> July, 2023:** As a part of celebrating “Van Mahotsav”, **Prof. Armine Bhagvager** conducted an activity in English subject for the students of XII Commerce. The students captured nature’s beauty through the lens of their cameras. The students captioned the photographs giving it their own unique touch. This activity then transcended the students in discussing the lesson into the wild. It isn’t easy to keep students glued to the textbooks for hours and expect them to learn every taught concept. Hence, the experiences from the performed activity encouraged the students and stayed longer in their mind. It is said that real knowledge comes from experiences.
