## Sr. Suzette's Feast Day

Sr. Suzette's Feast Day celebrated on 9th October 2023. It was with great excitement we had gathered in the hall to wish our school principal on her feast day. The celebration began with a prayer service followed by prayer dance which was put up by the students of std I and II.

Soon after the prayer service was done. Sr. Suzette was wished by students and teachers.

The foot tapping Honey- Bunny dance was an entertaining one by std III.

The last part of programme was the breath taking performance trained by Sir Cosmos. The gym Pyramids formed by our students of std IV included quick movements, challenges balance and coordination.

Everyone in the hall applauded the participants-

Sr. Suzette thanked each and everyone, appreciated the hardwork, and the efforts put in by our students and teachers.

Sr. Suzette's commitment to our school, students and staff is truly inspiring. May God bless her on this

special day for all the good she does for our school.
