

Farewell 2023-24

“Every new beginning comes from some other beginning’s end.”

SSC Farewell was organised by the students of Std 9th and their respective class teachers. School is the place where a student gets acknowledged by individuality and uniqueness. All the students of class 10th were present for the farewell ceremony.

It began with a hymn thanking the lord and a solemn prayer service. The program started by a ramp walk of the students of class 10. Followed by a heart whelming speech delivered by Safa of class 9. The highlight of the farewell was the “Carmel titles” won by the deserving students of class 10th along with some exciting spot prizes.

The students of Std 9th set the stage on fire with their energetic dance performance. The beautiful power point presentation took the students of class 10 down the memory lane making them emotional.

Our Principal Sr. Maria Suzzette addressed the students. She told them about the importance of succes. The students were given a token of gratitude. The program ended with our school anthem.

A happy Farewell, a day to remember
