*"\*Special\*" describes people who act from the heart and keep in mind the hearts of others.*

*Sr. Shanthi our Primary Headmistress is one such special personality whose feast day we celebrated on 1st of January 2022. A short, meaningful and prayerful prayer service was conducted by the teachers of STD II. As a token of our love and appreciation a card, potted plant and small gift was presented to Sr. Shanthi by the entire Primary Staff.*

*Wishing Sr. Shanthi, Glad days filled with friendliness. Bright day filled with cheer. Warm days filled with happiness to last throughout the year. Happy Feast Day Sr. Shanthi. God bless you.*
