

## **Orientation Programme at Apostolic Carmel Junior College, Bandra**

Keeping in mind the importance of Media in our present times, Apostolic Carmel Junior College in collaboration with St. Paul's Institute of Communication Education for Women (SPICE), Bandra West has decided to offer skill based multimedia courses to students seeking admission to grade XI along with the main stream academics. With this vision in mind Apostolic Carmel Junior College conducted an orientation programme to help students realise their potential and aptitude for Media.

Our Manager and Supervisor, Sr. Snehanjali, Principal Sr. Marissa along with Father Renold Pascal, Vice Principal at SPICE graced the occasion with their presence.

The programme commenced with showcasing the campus, unique infrastructure, activities, achievements and key highlights that make this college one of a kind. Father Renold Pascal, keynote speaker from SPICE, then provided an overview with the aid of a PPT, of the Multimedia courses namely Graphic Designing, Podcasting, Documentary Filmmaking and Digital Photography that will be offered on the college campus.

This venture would help students benefit immensely along with completing their Junior College in the Arts Stream from Apostolic Carmel Junior College. The program came to a close wherein the parents and students put forth their queries thereby showing keen interest in pursuing the courses offered.

All in all the day ended with an enriching and fruitful take away for everyone that, “It only takes a spark to light a flame.”
