

Independence Day

Our Country celebrated its 75th year of Independence on 15th August 2022. Students of std III A, B, and C put up a wonderful programme, on 12th August 2022. It began with a short prayer service asking for God's grace to bless our country. So that we would work as a nation towards unity. Then the children sang a patriotic song, "Hum chote chote bache hai.....". Students performed patriotic dance showing the vital aspect of India and its unity & diversity. The programme ended with a prize distribution for the Marathi handwriting competition.

In the end our National Anthem was sung which filled our hearts with pride & enthusiasm.
