

HAPPY ONAM

Onam is a ten-day Malayali festival celebrated in the beginning of the month of Chingam. The festival commemorates the appearance of the Vamana avatar of Lord Vishnu and the home coming of the legendary king Mahabali. It also celebrates the rich harvest. Onasadya or large feasts are prepared for this day. Designing of beautiful flower carpets called Pookalam , organization of snake boat races, Puli kali, and Kaikottukkali dance are the major attraction of the festival.
