

Book week

In order to inculcate reading habits in the students, Teacher Christine Syiemiong, Librarian & her team had organized their Book Week from 28th November 2022 to 1st December 2022 in the school library. The team presented a brief introduction to school students in the hall followed by Sr. Marisa's inspiring and encouraging words for the students, to attend the library activities during the week and the students were made to analyze and read the books of their chosen genre and were encouraged to write book reviews for the same. The Headmistress, Sr. Marisa was happy to receive a positive response from the students. It was noticed that most children love to read books. Teacher Christine Syimeiong and her team played the role of facilitators to all the activities. Book week was an enlightening activity for the students.
