H Ward Drawing Competition

Apostolic Carmel High School, Bandra West was indeed happy to participate in the H.Ward School's Exam Warriors Art Competition (**Pariksha Pe Charcha**) 2023 that was held on 25th January at St. Joseph's Convent High School.

Two of our teachers Mrs. Ceprisa Dias and Ms. Fouzia Asrani took immense trouble in motivating the students to prepare charts. The Topic was "**Encouraging People to Vote**". The children came up with slogans, creatively designed & everyone actively participated. There were 25 students who participated and every child brought out the topic beautifully.

The Competition was based on Prime Minister Narendra Modi's initiative "**Pariksha Pe Charcha**".

It was a fun-filled day for all the students. Every artist was extremely creative and everyone gave their 100% performance. Every student of Apostolic Carmel High School actively participated to showcase their talents.
