

Welcoming our New Headmistress Sr. Leonette

On 15th June 2021, the preprimary staff welcomed our new headmistress Sr. Leonette to our section. She is a very simple human being with a dynamic personality. Creativity and sincerity are her forte. This is her second innings in Apostolic Carmel High school, Bandra having already set a high benchmark during her 1st essay with primary three decades back. Being an excellent tutor to many of our current staff, an encore is on the cards this time as well with the pre-primary.
