

● **WOMEN'S DAY – 8th March, 2023.**

International Women's Day is celebrated on 8th March every year to celebrate the achievements of women all around the globe and appreciate the different roles that women play in the society. Women are strong, powerful, and invincible. With thousands of quotes encouraging women's existence every day, a special day is indeed a necessity to celebrate women's achievements in all areas of life. Whether she's a teacher, homemaker, economist, engineer or pioneer, women have been making the world a better place with their infinite strength, determination, and belief.

This International Women's Day we at Apostolic Carmel High School are celebrating the social, economic, cultural and political achievements of women all over the world. We recognize and celebrate the accomplishments of every girl child and women. A meaningful prayer service was conducted by the students of std 7th. It highlighted the progress made by women and acknowledged the role of women in strengthening family bonds. It also brought to light the importance of this day, the honour, courage and dedication that women bring in every little thing that they do.

Our dear Principal, Sr. Marisa gave a valuable message to the students and asked the students to love and respect their mothers and told them to thank their parents for all that they do for them and to embrace them when they go home and value them every day.

The prayer service ended with a beautiful quote, *“A woman with a voice is, by definition, a strong woman”- Melinda Gates.*
