

Farewell For std IV

"May you walk safely along the pathway of your dreams". These were the encouraging words that the std 3 students wished the std 4 students when they conducted an awesome farewell assembly for them.

The assembly consisted of a short meaningful prayer service followed by a prayer dance. There was a beautiful Powerpoint Presentation prepared by Tr. Mariam, taking the girls down memory lane. The assembly concluded with Sr. Maria giving a speech of encouragement to the students. Class photographs were also taken.
