Tik Tik Plastic 2.0

Apostolic Carmel High School & Junior College vows to shun single use plastic in association with the Bhamla Foundation

12th July, 2023: The students of **Apostolic Carmel High School & Junior College** attended a small interactive session called '**Tik Tik Plastic 2.0**', conducted by the Bhamla Foundation, advocating the need of the hour, that is, discontinuing single use plastic in our respective households. The theme "**Beat Plastic Pollution**" was the prime focus and it aimed at raising awareness among the students with regards to the hazards of plastic pollution.

The esteemed dignitaries were escorted by our dynamic school band along with our **Manager Sr.Snehanjali** and our **Principal Sr.Maria Suzette**. The programme commenced with a short prayer, followed by an interactive session. **Mr.Asif Bhamla**, an environmentalist, philanthropist, politician and Chairman of the **Bhamla Foundation**, encouraged students to reduce, reuse, and recycle plastic. Eminent personalities from the entertainment industry like the famous Bollywood singer **Mr. Shantanu Mukherjee aka Shaan** and television personality **Mr. Karan Kundrra** came forward to speak about how important it is to save our planet Earth.

Mr.Kobbi Shoshani, Consul General of Israel, extended gratitude for being invited to this prolific event. Mr. Shoshani is the official representative of the state of Israel in Maharashtra, Gujarat, Madhya Pradesh and Goa.

Each student was given a sustainable metal bottle. Additionally, a symbolic tree plantation drive in collaboration with the authorities of the Municipal Corporation was executed.

The event came to a close by giving reverence to our motherland by singing our National Anthem.
