

## *\* Principal's message \**

**'New Academic year is a New beginning with a New hope'.**

Dear Students, Parents and Staff Members,

A warm welcome to you all for the New Academic Year 2021-2022.

I cannot thank you enough for being so cooperative all through last year. While we sincerely pray for all those who have been affected by the virus directly and indirectly, we are equally concerned about your health and safety.

**'God has been our Light & Strength'** during the last academic year and in this pandemic.

Let's make the best use of the lockdown by enhancing our knowledge and facing challenges positively so that our children grow and learn to tackle this crisis. I am confident that all of us will fight this together as one Apostolic Carmel family.

Let me share the **"CORONA" acronym**,

**C (Care for each other)**

**O (Opportunity to know your strength)**

**R (Relax God is in charge of us)**

**O (Organize your thoughts and life)**

**N (Navigate your way to achieve the target)**

**A (Accomplish success).**

So, we at Apostolic Carmel High School, Bandra embrace the 2021-2022 Academic school year with optimism and hope to make the Carmel students focussed and productive.

We must remain positive and keep our hopes alive as I believe that, **" Nothing is predestined. The obstacles of our past can become the gateways that lead to new beginnings."** Stay well ! Stay positive! Keep Smiling.

**Remember:**

***"No one is safe, until everyone is safe".***

I, once again thank you for your prayerful support. Kindly refer to the School Website –
