

Apostolic Carmel Junior College

FRIENDSHIP DAY

07th August, 2023: The Students of Apostolic Carmel Junior College celebrated Friendship Day with great enthusiasm on August 07th, 2023. The event commenced with a speech by **Prof. Steffi Machado**, who emphasized the significance of friendship and the meaningful connections fostered within the college. She also provided instructions and guidelines for the Friendship Day activities. **Prof. Siddhant Bane** and other teachers then distributed friendship-themed badges, featuring names of movies centered around friendship, to all students. These badges were used to form groups.

Following the badge distribution, a member from each group randomly selected an activity from a collection of chits. The activities included dancing, singing as a group, performing a play, creating friendship bands, and designing friendship-themed posters. Students were given 30 minutes to prepare their chosen activities. Subsequently, they presented their performances in the open hall.

The event was a resounding success, with active participation and interaction among students within their groups. This occasion significantly strengthened existing friendships and facilitated the formation of new connections.
