## CORPORATE SOCIAL RESPONSIBILITY(CSR).

*Corporate Social Responsibility is a management concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders.*

**08<sup>th</sup> September, 2023:** In light of the above definition, **Prof. Omana Paul** conducted a debate session in the Organisation of Commerce and Management subject for the students of 12<sup>th</sup> Commerce on the topic “**Does business need to engage in CSR activities?**”. The aim of conducting a debate session was to hone the public speaking skills of the students and teach them to articulate while expressing their thoughts and opinions. The debate session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the corporate social responsibility among students. The activity was a part of the lesson titled ‘Responsibility of business towards society’. The students of 12<sup>th</sup> Commerce actively participated and spoke their mind on CSR activities.
