"I ask our lady for graces and she immediately enfolds me in the will of God."

Venerable Mother Veronica the founder of the Apostolic Carmel Congregation was born on 1st October 1823. The birth anniversary of our Foundress Mother Veronica of the Passion was celebrated on 27th September, 2023 in the primary section. Mother Veronica started this Congregation devoted mainly to the education of girls.

The assembly was beautifully conducted by the students of std I with a meaningful prayer service and a skit on the life of our dear Mother Veronica of the Passion.

The students of std IA performed an amazing Rajasthani dance. The creative and expressive Bengali dance by the students of std I B. was energetic and mindblowing. Not forgetting the foot tapping Koli dance performed by the students of std I C.

The celebration concluded by the melodious singing of the students of Std I A on the song of Mother Veronica, "A new star."
