## CLASS VISIT TO ST. PAULS INSTITUTE OF COMMUNICATION EDUCATION

*"I hear and I forget. I see and I remember. I do and I understand"* - Confucius

**23<sup>rd</sup> October, 2023:** The **Sociology students** of **Std XI and XII** of the Arts section were taken for a class visit to **St. Pauls Institute of Communication Education**, by **Prof. Armine Bhagvager** and **Prof. Trini Tauro**, on the 23<sup>rd</sup> of October, 2023.

The visit was in keeping with the topic of **Visual Sociology**, a vital topic in the **Sociology** syllabus. The students got the first-hand experience of being News Anchors. They were asked to read the news from the **teleprompter** while speaking into their mics.

The students also had a workshop where they discussed '**Digital media and its impact in the Present times**'. The students participated in **content writing**, wherein, they had to enact a situation given based on their favourite characters and compose dialogues for each of them.

The workshop was a huge success as each student was delighted to experience the workings of digital media.

With gratitude in our hearts, we thank the faculty, **Ms. Yashashree, Ms. Rashmi, Mr. Vignesh and Mr. Parth**, who graciously kept the students engaged with their sessions.
