

Telegames

Being aware of the fact that games and sports are an integral element of the present day education. Apostolic Carmel Primary School conducted Telegames on 16th December 2023. The event began by welcoming the chief guest, our very own retired teacher Mrs. Zelda Ferreira accompanied by Sr. Nishita. The event included March Past, water games, tuck of war etc. Children enjoyed and participated with gusto. There was also tuck of war conducted for teachers. Overall it was a very entertaining event.
