

A pilgrimage to Mount Mary

On the 2nd of February 2024 students of std 10th along with our principal Sr. Maria Suzette, their class teachers, and a few assistant teachers were accompanied to The Mount Mary Church, Bandra. Everyone went walking right from the school along with their school flag raised right above. All the non catholic students were walking in silence and all the catholic students chanted prayers all the way.

All the students were individually blessed by the Priest and later on they also put forward their petitions to the lord. Sr. Suzette, Tr Sujata and Tr Sharon spoke and prayed for all the students.

A group photo was clicked inside the church near the alter and thereafter another group photo was clicked near the main entrance.

All the students assembled to leave from church, they formed straight lines along with the school flag waving right above and walked silently back to school.

After reaching school there was a eucharistic celebration and prayer arranged especially for STD 10th students. STD 10th students along with all the sisters and teachers and all the catholic students from grade 5th to 9th participated wholeheartedly.

The eucharistic celebration ended by offering a token of love to the priest at 12:00 pm.
