

# *Embracing the Guidance of the Holy Spirit: A Spiritual Journey Begins*

The Mass to the Holy Spirit held on 28th June 2024 at Apostolic Carmel High School was a profound moment of spiritual renewal and blessings for all in attendance. As the new academic year commenced, we gathered in the school hall to seek divine guidance and strength for the journey ahead. The mass began with a solemn march of the school cabinet, symbolizing their commitment to leading with integrity and humility. The atmosphere was charged with reverence and unity as students and teachers joined together in prayer, invoking the presence of the Holy Spirit in our midst. Father Tijo the main celebrant, delivered a moving homily on the significance of seeking wisdom and direction from above. His message reminded us that with faith and divine assistance, we are capable of overcoming any challenges that come our way.

The Mass to the Holy Spirit served as a beacon of light, illuminating our path as we embarked on this new chapter. It was a reminder that we are never alone in our journey, for the presence of the Holy Spirit is a constant source of strength and guidance. May the grace received during this sacred gathering resonate within us throughout the year, leading us towards growth, learning, and a deeper connection with the divine.
