

GRADE XI STUDENT ORIENTATION

18TH October 2021 witnessed the start to the academic year for Grade XI at Apostolic Carmel Junior College. The online Student Orientation brought together over 140 students, parents and members of the College faculty for the first time! Through 2 simultaneous virtual platforms, the students were introduced to our esteemed institution that nurtures both academic skill and moral fibre. The brief prayer service focused on gratitude for life and counting one's blessings.

Recognizing that the Covid-19 pandemic thrust us all into chaotic upheaval and yet a dormant void, the Orientation provided a positive boost to students and staff alike with the invaluable expertise of Dr. Suresh Paul Antony, Fellow (IIM Lucknow), MBA (Madurai Kamaraj University) and Associate Professor- Marketing (Indian Institute of Management, Trichy).

An enlightening half –hour session encouraged all to strive unceasingly for the Big 4 attitudes and seek KASH- Knowledge, Ask questions, hone dynamic skills and choose wisely positive habits that would only make and never break us. Finally he exhorted us to go through a Digital Detox Programme and re-direct ourselves to our Family of Orientation.

The event ended with a crisp Vote of Thanks and a quick overview of the rules and expectations that the institution has of all those that walk through her portals.
