

FRESHER'S DAY

Fresher's Day at Apostolic Carmel Junior College was organised online on 20th October, 2021. The new batch of students were welcomed by the staff and senior students of Grade XII under the able guidance of the Manager & Supervisor, Sr Snehanjali and the Principal Sr Marisa.

The programme was hosted by Mrs Limpiya Dias (Professor, Science Department). The prayer service conducted by Mrs. Deepika Lobo (Professor, Arts Department) espoused peace and harmony and sought the grace of several virtues on both student and teacher alike. Thereafter students of Grade 12 danced and sang to the rhythm of a variety of foot-tapping numbers and the event took on a life of its own! The programme concluded with class teachers imparting instructions individually to their respective classes. We wish our Freshers an exciting start to a year replete with opportunities.
