

CABINET

The members of the School Cabinet were presented with their badges on the auspicious occasion of the Establishment Day. Though the Investiture Ceremony could not be held due to Covid protocols, the Principal Sr.Marisa A.C. invoked God's choicest blessings for all the members of the School Council and urged them to consider God as their strength and turn towards him for guidance always. She extolled the importance of daily prayer to keep away from the temptations of vices that can mar young lives. She also informed the Cabinet members that the badges are a token of appreciation for their service to the school and can be kept with them permanently.
